

Now and Then Character List

JAMIE, late 20s, early 30s (or?) Bartender and aspiring pianist. Attractive in a regular-guy way. Sincere, hardworking, very much in love with ABBY.

MAN, mid-60s. A bit beaten down but good-natured. Easy to talk to, well-spoken, sincere, and very intent on his mission tonight. Husband of 35 years to WOMAN. He is desperate.

ABBY, late 20s-early 30s. IHOP waitress and one-time English major. Funny, smart, and very much in love with JAMIE.

WOMAN, mid-60s or a bit younger. Strong, direct, loving, a little coarse. She is MAN's wife of 35 years. No one knows her like he does and no one knows him like she. She and MAN bicker but there is a bedrock of love there. They'd do anything for each other and no one can hurt either of them like the other one can.
