CHARACTER DESCRIPTIONS

Name	Description
PHYLLIS NOVAK	Age 30s-40s. An independent woman who is in control of her life and everything around her. That is except for relationships, in which she has a dismal past.
BRADLEY NAUGHTON	Age 30s-40s. He is an IRS Agent who is typically grey in nature and in dress. He was dumped by his wife, is generally angry about everything and cries often.
DR JONATHAN ALEXANDER	Any age. He is a rather pompous, know-it-all psychologist. Although a couples therapist, he is very self-impressed. Nevertheless, he is a likeable character.
MITZI CARTRIGHT	Any age (but should match Jonathan). Mitzi is quite flamboyant in both dress and character. She embraces life to the full and aims always to make a statement of some kind.
